Dear Mother,

Enjoyed your letter (25/5) and card. The last letter I sent you was mailed from Hungary. I discovered to my great annoyance it was sent slow mail by mistake. However, you should receive it any time now. In it I wrote more about my trip to Russia.

Before my recent trip to Rumania I spent about two and a half weeks touring Hungary with Adele and [] in Adele's rented car. During this time Paul was in Spain and Morocco. I returned to Vienna to see Adele off with Luxair to Luxembourg to catch her Icelandic flight back to the states. Then I returned to Budapest to meet [] and start out on the trip to Rumania.

Our first stop was Timisoara, the capital of the Banat, where we met Paul who came up through Yugoslavia. We spent two leisurely days enjoying grilled dishes and fresh onion and garlic which Canka, [] Bulgarian girlfriend, had given us as a going away present from her father's garden. When those were eaten we bought more along with goat cheese which [] and I are very fond of. In the town square stands a large statue of Romulus and Remus nursing at the wolf. This statue is reproduced in almost every town in Rumania in a vain effort to instill the idea that there is a continuity between the old Romans and the Rumanians of today. We then took the train to Hercules Bath an old Hungarian spa. Much smaller than Carlsbad it had very little to offer except scenery, however we met a wonderful tour guide that works for a large German department store chain, Neckerman. It arranges inexpensive group tours. She was marooned in Hercules Bath for eight weeks with a group consisting almost entirely of those well over sixty. We were her guests at dinner- Neckerman's, that is- and also at a lecture with slides on Rumania presented for the group. We were again guests for lunch the following day before we left by bus for a sleepy old Danube river town

Turnu Severin. On the way to Turnu Severin one travels through the so called Iron Gates section of the Danube. We wanted to see the giant dam project the Rumanians and Yugoŝlavs are building. It will be one of the largest dams in the world. In order to build the dam it was neccessary to relocate the entire little city of Orsova and many villages one of which was an old Turkish village located on an island which was relocated as it was along with the Turks that lived in it. Most of the land that we traveled over will soon be totally inundated. In Turnu Severin we stayed in a new hotel up on a hill overlooking the Danube and Serbia on the other side. From Turnu Severin we took the train down to the capital of Oltania, Craiova. This little city is totally Balkan. Funny little streets with houses protruding irregularly, the smell of grilled food and garlic every where and the smell of disinfectant that permeates everything. We stayed privately there in a house straight out of [redacted] The rooms were deep maroon with funny old pictures of old warriors hung way above eye level and a huge badly painted oil of a woman prostrate in front of a road side crucifix with an angel hovering over her. From Craiova we went on to Bucerest where we had dinner on the terrace along side the swimming pool with the artificial waves of the famous Lido hotel. The food was worse than the music which was crummy and to top it off the waiter tried to cheat us an enormous amount on the bill. The most popular soft drink in Rumania is now Pepsi Cola. We left Bucerest the same night as none of us likes it and took the sleeper up to Jasi, the capital of Moldavia which is not far from the Soviet border; since the Russians grabbed the Rumanian provence of Besarabia. Unfortunately the city did not come up to expectations as it was heavily bombed during the war. We spent the day there and then went on to Suceava the capital of the Bukovina. Here we met a group of architects from all of the block countries. They took us along on their bus to see some of the beautiful monestaries for which the Bukovina is famous. The monastaries are Greek Orthodox and magnificently painted with Byzantine like exterior frescos. Altho the Rumanians try to take credit for these masterpieces they were done by Armenians. In the next city we visited, Cluj an old Hungarian town in Transylvania we found a marvelous little Armanian restaurant that offered Armanian specialities which were very

b6
b7C

good. Small private restaurants are now being encouraged by the government. In Transylvania one hears Hungarian, German, and even German in the streets. Although the Rumanians claim this area for their own nothing could be further from the truth. The Hungarians built up the towns along with the Germans and it was not until Wilson meddled into European politics that it fell into Rumanian hands. Since that time there has been a great influx of Rumanians into the cities so that it appears that the Rumanians have always been there. While in fact there was only a Rumanian minority in the rural areas. All of the towns have folk art shops with many lovely reasonably priced items. I bought several beautifully embroidered items of clothing. We flew from Cluj to Sibiu where we spent a couple of days. Sibiu is the most representative city in Transylvania. It is a charming old Saxon - that is to say German - medieval city with archways and small winding streets.

After two enjoyable weeks we said good-bye to [redacted] who returned to Budapest while we took the train to Zagreb, Yugoslavia. Zagreb the capital of Croatia is a delightful old town. We stayed at the Esplanade Intercontinental which is a really glamorous old world hotel with a gambling casino in the basement. In Zagreb I saw an exquisite black dress which had been finely embroidered on two front panels which opened on a third which continued to motif. The cost is about forty dollars but it is certainly well worth it. I plan to pick it up next time I am in Zagreb which should be in the near future. If you would like something like that I'd be glad to pick it up for you. Did you ever receive the Batik lamp from Iceland I'm very interested in hearing your opinion of it. For Grandmother's birthday I am sending her a hand embroidered pillow case I bought in Hungary. I'm sending it to the Northwest.

Sorry to hear that Dad's leg is bothering him again. Wouldn't swimming in the ocean help. Getting some sun and exercise certainly wouldn't hurt. Why didn't you go to the Orient as you had planned? Hawaii looks very inviting but it's no surprise there is nothing to buy there. Paul's father will be coming over in July. I will probably return to Chicago in August unless we go to the Leipzig fall fair. In which case I will return in September. I thought [redacted] was

b6
b7C

comming to Europe after he graduated. It amazes me that [redacted] is still holding out. If you are interested we are bringing out a lovely set of Zodiac graphics, they are large and vividly colored. We already have orders in Chicago for them.

b6
b7C

Glad to hear that Grandmother is better and hope that Dad's leg trouble is fleeting. Incidentally [redacted] wrote me that she was flying Icelandic to Europe. If all went according to plans she arrived in Luxembourg on the 30. She gave me her address as care of Amexob Paris so I will send her a card there.

Much Love to all,
[redacted]

IMPORTANT INFORMATION FOR YOU

• GENERAL INFORMATION

You may prepare in advance to meet certain requirements that will govern your return from abroad. The following information will assist you in avoiding inconvenience and delay at the time of your return to the United States.

• CUSTOMS SERVICE

The pamphlet "Customs Hints" has been designed to give you pertinent information about Customs requirements. To learn how these requirements apply to articles which you may acquire while traveling abroad, obtain a copy from your nearest Customs office. "Customs Hints" are available at U.S. diplomatic and consular offices abroad, and at Passport Agencies in the U.S. A separate pamphlet, "Customs Hints for Non-Residents" is also available.

• PUBLIC HEALTH SERVICE

A smallpox vaccination within three years is an entry requirement when returning to the United States. Yellow fever and cholera vaccinations are also required if you visit an infected area. The vaccination(s) should be obtained before you leave. Vaccinations must be recorded on Form PHS-731, "International Certificates of Vaccination", and validated by a local or state health officer. You may obtain additional information from local health offices or the nearest Public Health Service facility.

• AGRICULTURE

The importation into the U.S. of certain agricultural items is restricted or prohibited entirely because they often contain pests or diseases that could cause immense damage to our crops, forests, or livestock. Import permits are required for most plants, seeds, bulbs, soil, meat or meat products, fruits, or vegetables. General information on this subject is contained in the pamphlet "Customs Hints". For specific information, write to the Agricultural Research Service, U.S. Department of Agriculture, Washington, D.C., 20250.

• TREASURY

Treasury Regulations prohibit purchase or importation of Communist Chinese, North Korean, North Vietnamese or Cuban merchandise and of Chinese-type merchandise specified in the Regulations, without a license or a certificate of origin of the type prescribed in the Regulations. Travelers should consult local American consulates for further information.

IMPORTANT INFORMATION FOR YOU

• TRAVEL IN DISTURBED AREAS

If you travel in disturbed areas, you should keep in touch with the nearest American diplomatic or consular office.

• PROLONGED RESIDENCE ABROAD

If you reside for a prolonged period abroad, you should register at the nearest American diplomatic or consular office.

• LOSS OF NATIONALITY

You may lose your United States nationality by being naturalized in, or by voting in the elections of, a foreign state; by taking an oath or making a declaration of allegiance to a foreign state; or by serving in the armed forces or accepting employment under the government of a foreign state. For detailed information consult the nearest American diplomatic or consular office.

• VIOLATION OF CONDITIONS OR RESTRICTIONS

If you use or attempt to use this passport in violation of the conditions or restrictions contained in it, you may be liable for prosecution (Title 18, U.S. Code, Section 1544). You may also lose the protection of the United States while you continue to reside abroad.

• LOSS, THEFT OR DESTRUCTION OF PASSPORT

If this passport is lost, stolen or destroyed, report full details immediately to the Passport Office, Department of State, Washington, D.C., 20524; or to the nearest American diplomatic or consular office. If lost or stolen, local police authorities should also be notified. In American Samoa, Guam, the Commonwealth of Puerto Rico, Swains Island, or the Virgin Islands, report to the chief executive, and to the local police authorities. In loss or destruction cases, new passports are issued only after careful investigation.

• ALTERATION OR MUTILATION OF PASSPORT

This passport must not be altered or mutilated in any way. You must not alter any dates or make any changes in your description, on the photograph, or on any other page of this passport. Alteration may make it invalid and, if willful, may subject you to prosecution (Title 18, U.S. Code, Section 1543). Only authorized officials of the United States or of foreign countries, in connection with official matters, may place stamps or make statements, notations or additions in this passport. However, you may amend or up-date information supplied by you on the inside of the front cover of this passport, if necessary.

Re report of SA [redacted] 5/20/70
at Chicago.

Enclosed for the Bureau are one copy each of Operations Memo dated 1/18/71, classified Confidential, from [redacted] Consular Section, American Embassy, Vienna, addressed to the Department of State, and 30 photos of subject's passport.

From the photos it can be seen that ANDERSON received visas to and may have visited the following countries among others: Algeria, Austria, Great Britain, Canada, Cyprus, Denmark, East Germany, Gibraltar, Greece, Hungary, Iceland, Italy, Luxemburg, Morocco, Netherlands, Poland, Portugal, Romania (Las Palmas) Spain, Sweden, Switzerland, Turkey, USSR and Yugoslavia.

An examination of the copy of "Europa Korespondenz" mentioned in the Operations Memo and made available by [redacted] showed that it was published by ANDERSON's old contact, WILHELM LANDIG, born 12/20/09 in Vienna, residing Favoritenstr. 56/8, Vienna 9, described by the [redacted] as a right extremist.

For information.

ANDERSON should be considered possibly dangerous as he has advocated assassination as a political weapon and has been characterized as a psychotic.

Memorandum

TO : Air Coordinators D. Donohue

DATE: September 1, 1971

FROM : D.J. Monroe, CSO 1506

SUBJECT: Paul Anderson, Subversive

On a flight from Belgrade, Yugoslavia to Budapest, Hungary on Saturday, August 14, 1971, my wife and I made casual conversation with a man who said he was Paul Anderson, and said he was a writer-publisher by profession. SUBJECT stated he was to Budapest many times before, and that this was our honeymoon and first visit to Budapest, he offered to show us the sights. On arrival to the center of town by airport bus, SUBJECT was met by an Hungarian national, first name [redacted] and appeared to be very close friends. We agreed to have a drink at the home of [redacted]. It was at the home of [redacted] and in conversation that SUBJECT said he was head of the American Nazi Party, attaining that position after Lincoln Rockwell died. It was quite evident that SUBJECT was anti-Jew, anti-Negro, and stated they all should be killed. After ending the conversation, SUBJECT asked me to join the American Nazi Party, and I declined. SUBJECT then asked for a contribution for the Party paper. I then gave SUBJECT \$3. If and when the Party paper arrives, I will forward it to your office. I had asked SUBJECT why the money is needed, and Mr Anderson stated that it was they who recently blew schoolbuses up so as to prevent de-segregation in the North. Also stated the money would buy guns and ammunition. The manner of presentation by SUBJECT was sincere and convincing.

b6
b7C

It should be noted that SUBJECT asked of my profession before the conversation, and I stated I was employed by Pan American.

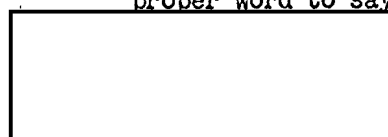

It also should be noted that SUBJECT has unusual sexual tendencies as stated to us while in a restaurant. He stated that both male and female relations satisfied him, and went on rather far about enjoying the male.

My wife and I ended the conversation at this point, said goodbye and took a taxi to our hotel. We have not seen SUBJECT since.

SUBJECT is described as follows:

- Male
- White
- 30-35 yrs old
- 5'11" - 6'1"
- 170-180 lbs
- Balding Blonde hair (receding)
- Blue eyes
- Blonde mustache
- Eyeglasses
- Speaks intelligently, but with a very noticeable "Ahhhh" before beginning a sentence or while trying to think of the proper word to say.

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, and The George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

It is pointed out that Chicago subject PAUL GEORGE ANDERSON, Bureau file 100-415051, claims membership in and allegiance to the American Nazi Party. ANDERSON travels extensively in Europe and is believed to pass out Nazi-type literature.

It could possibly be assumed that ANDERSON would have some contacts in the NDP, although Chicago has no specific information ANDERSON did, in fact, attend this meeting or was one of the individuals in question.

Re Chicago letter, 5/3/72.

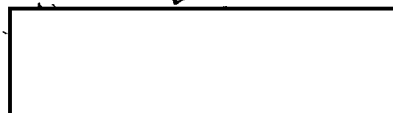

A review of matters set forth in referenced Chicago letter regarding PAUL GEORGE ANDERSON indicates he could possibly be one of the Americans allegedly taking part in a meeting of the National Demokratischer Partei Deutschland (National Democratic Party of Germany) on 10/20/71.

Chicago requested to conduct sufficient investigation attempting to establish if ANDERSON is identical with one of the individuals and was in Europe possibly traveling in West Germany during October, 1971. In addition, Chicago requested to consider locating ANDERSON and upon SAC authority, interview him as to his whereabouts in October, 1971, and if he did actually meet on 10/20/71, with members of the NSD. Consider securing a photograph of ANDERSON and transmitting same to Legat, Bonn for possible display to West German sources. Set forth results by LHM.

Re Chicago letter to the Bureau dated 11/12/71.

Enclosed for the Bureau are nine (9) copies of a letterhead memorandum (LHM), dated and captioned as above, and containing the results of Chicago's investigation in this matter. Two copies of this same LHM are being furnished INS, Chicago, in view of their interest in the subjects. Extra copies of the enclosed LHM are being provided the Bureau for possible dissemination to French and Canadian authorities. Chicago recognized that the information of interest to the French is dated, but it may indicate the type of person the Soviets are looking for as agents suitable for espionage work in France.

The interviews of the subjects were conducted by SA [redacted] It is the interviewing agents's opinion that [redacted] in her statements, despite the pertinent information she supplied. It appears somewhat improbable that she was not a member of either the Soviet or Bulgarian Communist Parties. This skepticism is based on her ability to continue to reside in the Soviet Union following her [redacted] ability to attend and teach at the University of Lvov; and because of the type of employment she had in Bulgaria.

Chicago is commencing another investigation of [redacted] to determine if he is in violation of the Selective Service Act. He is now registered with Selective Service, but he admitted during interview that he had not registered despite knowing of this legal requirement.

b6
b7C

The PAUL ANDERSON referred to in the enclosed LHM is undoubtedly identical with PAUL GEORGE ANDERSON, subject of Bureau file 100-415051, Chicago file 105-2363. This subject matches the age and hair color of the PAUL ANDERSON known to [redacted]. He has also travelled widely in Eastern Europe, including Bulgaria, and was in Eastern Europe in 1966. He is violently opposed to Jews and Negroes, has advocated violence as an instrument of political change, and in 1961 stated that he was saving money to buy a weapon with which he would kill President KENNEDY. ANDERSON is well known to the U. S. Department of State and the Secret Service, and Chicago does not intend to interview ANDERSON for information about [redacted]. It would appear that he may not have been connected with Soviet Bloc Intelligence as of 1966, as he probably would not then have been under surveillance by the Bulgarian State Security Service. The attention of the Bureau is invited to Chicago's letter and LHM to the Bureau of November 9, 1971, entitled "PAUL GEORGE ANDERSON, EM - WHITE HATE GROUPS; SM - X" Bufile 100-415051. The [redacted] (LNU) mentioned in that communication as a friend of ANDERSON residing in Budapest, Hungary, may be identical with the [redacted] (phonetic) who was with ANDERSON in Bulgaria in 1966.

b6
b7C

Chicago does not contemplate further investigation in this case, and its status is being changed to closed. It will be re-opened on October 1, 1972, for review and possible reinterview. This is being done because of [redacted] education, background, and previous employments.

Re Alexandria letter to Chicago, 11/30/71.

Enclosed for Alexandria is a photograph of
PAUL GEORGE ANDERSON as contained in Chicago files.

It is possible, based on description, that
PAUL GEORGE ANDERSON is identical to the person participating
in the NSWPP rally held in Washington, D. C., on April 10,
1971, and to Storm Trooper ANDERSON, who reportedly
was working at the NSWPP National Headquarters, Arlington,
Virginia, in August, 1971.

PAUL GEORGE ANDERSON has been traveling ex-
tensively in Europe during 1971 and was known to be in
Europe in February and August, 1971. He was also
home in Chicago for a visit in August when he allegedly
returned to Europe.

Alexandria is requested to display PAUL GEORGE
ANDERSON's photo to sources in an effort to determine
if this is the same PAUL ANDERSON mentioned above.

ANDERSON is currently traveling in Europe.

ANDERSON is recommended for retention on the Adex based on the revised criteria.

ADDENDUM: DOMESTIC INTELLIGENCE DIVISION 11/6/72

Subject is 36-year-old white male who travels throughout the world 10 months of the year. He has been known to the Bureau since 1954 and at various times has been reported to be a NAZI and a Communist. He is very anti-Semitic and anti-Negro and feels Jews and Negroes should be killed. He has had occasional contact with American Nazi Party (ANP) representatives in the Chicago area. Anderson has indicated one of his dreams is to be in charge of a concentration camp and has spoken of overthrowing the Government and assassinating national leaders. No information has been developed that he has changed these beliefs in the past two years. His past activities indicate his willingness and capability to engage in actions dangerous to the national security.

Re Chicago letter to Bureau 3/20/73.

On September 17, 1973, telephone contact was made with MAURICE C. ANDERSON, father of captioned subject, M. C. Anderson Gold Company, 5 North Wabash Avenue, Chicago, without the caller identifying himself, who advised that ANDERSON was currently in Chicago, however, he was planning a trip abroad in the immediate future. He is not gainfully employed.

He advised PAUL utilizes his mother's address in care of CLARENCE OLSEN, 4300 Marine Drive, Chicago, and his father's business address at 5 North Wabash as contact points when he is in or out of the city.

Contact with [redacted] on September 6, 1973, [redacted] on September 17, 1973, and [redacted] on September 17, 1973, who are all acquainted with white hate type activity in the Chicago area, failed to elicit any information indicating PAUL ANDERSON has been active in extremist circles. b7D

No attempt is being made to interview PAUL ANDERSON as he is extremely anti-government in his views, has been characterized as a psychotic and egomania who would be elated to the point of bragging should he be aware of FBI interest in his activity.

Chicago will furnish any pertinent information developed concerning subject's activities to the Bureau and interested offices.

Re Chicago letter to Bureau dated 9/17/73.

On January 14, 1974, PAUL ANDERSON was telephonically contacted at M. C. Anderson Gold Company, 5 North Wabash, Chicago, under pretext of travel agent soliciting business. ANDERSON advised that he is currently assisting his father in his business and is not planning any travel in the immediate future. He indicated his residence was located at 4300 Marine Drive, Chicago.

Contact with sources acquainted with white hate type activity in the Chicago area during December, 1973, and January, 1974, failed to elicit any information indicating ANDERSON is or has been active in extremist circles.

No attempt is being made to interview ANDERSON as he is extremely anti-government in his views, has been characterized as a psychotic and egotist who would be elated, to the point of bragging, should he be aware of FBI interest in his activity.

Chicago is following this matter. Any pertinent information developed concerning ANDERSON's activities will be furnished to the Bureau and any interested offices.

PAUL ANDERSON is a white male, age thirty-eight, who has traveled extensively throughout the world including numerous trips to Eastern European countries. Since 1954, he has been reported to be, at various times, a Communist and a Nazi. He is very anti-Semitic and anti-Negro. He has described himself as a "merchant of hate." In 1965, he is reported to have indicated that he favors assassination as a political weapon. Since that time, individuals who have been in contact with ANDERSON have described him as being extremely egotistical, a psychotic, very obnoxious and one who appears to enjoy flaunting his extremist racial and political views. He has been described as not appearing dangerous to anyone but himself. He has no known organizational affiliation.

There is no indication that ANDERSON has been active in white hate circles in Chicago in the past two years. Despite his extreme views, known since 1954, ANDERSON has not been known to engage in any overt actions inimical to the interests of the United States.

It is felt that ANDERSON does not pose a realistic, direct and current danger to the national security at this time.

It is recommended that ANDERSON be removed from the ADEX.

Addendum: Intelligence Division 9/3/74

Anderson is being deleted from ADEX. In view of his possible propensity for violence, a result of his questionable mental stability and intense hatreds, Chicago should continue to target sources to follow his activities. Promptly advise FBIHQ of any substantial change in his status, in form suitable for dissemination, if appropriate.
